

# PRO-VALUE RANGE 2017

A range designed with quality and value in mind

MAKE IT WONDERFUL

**FRANKE**

## Sinks

### CABINET WIDTH

   The cabinet width measurement denotes the measurement which the sink bowl(s) need to fit into.

### SINK STYLE OPTIONS

 **Inset:** The frame of an inset sink sits on top of the worksurface. These sinks are compatible with any worksurface, including laminate worktops.

 **Undermount:** An undermount sink is installed underneath the worktop, only compatible with solid surface worktops such as granite or solid wood.

 **Belfast:** Belfast sinks are installed either 'dropped-on' to a purpose built cabinet or by using installation brackets.

### INSET SINK PROFILES

Franke sinks come with a range of different profiles, detailed below.

 **Standard:** Edge is rolled over to meet the worktop.

 **Swiss-edge:** Edge has a built-in water-protection seal.

 **Slim-Top:** Edge sits flat on the surface of the worktop.

### BOWL CONFIGURATION

Ensure you choose the correct sink configuration for your kitchen.

   **LHD, RHD and REV:**

Indicates whether an inset sink is available with a Left Hand Drainer (LHD) or Right Hand Drainer (RHD). **REV** Indicates an inset sink suitable for both left and right configurations.

  **LHSB and RHSB:** Denotes whether an undermount sink is available as Left Hand Small Bowl (LHSB) and/or Right Hand Small Bowl (RHSB).

### SINK EXTRAS

 **Waste Disposal Unit Compatibility:** See page 32

 **Sink features a patented Hygienic Overflow**

 **Plumbing Set Connector included:** Some Fraganite 1.5 bowl sinks contain a plumbing set connector linking the 2 bowls.

### PLUMBING KIT COMPATIBILITY

 **Siphon 1:** Compatible with a single bowl sink.

 **Siphon 2:** Compatible with 1½ bowl and 2 bowl sinks.

 **Siphon 3:** Compatible with 3 bowl sinks.

Basis BFG 611-780 Fraganite sink & Zurich Chrome tap

## Taps

### WATER PRESSURE

 **Suitable for Low Pressure Systems:** Indicates this tap will work with a low pressure system, delivering at least 4 litres per minute of hot water at 0.3 bar pressure.

### FEATURES

 **Perlator:** Mixes air into the flow of water to give a champagne like flow.

 **Filtered Water:** Dispenses filtered water.

 **Pull-Out Spray:** Feature a pull-out spray, useful for directional rinsing.

 **Directional Nozzle:** The end of the tap can be manipulated in any direction.

 **Pull-Out Nozzle:** Feature a pull-out nozzle, useful for directional rinsing.

## Guarantees

 **Sinks:** 50 Years.

 **Waste Disposal Unit:** 10 Years Warranty.

 **Taps:** 5 Years valve mechanisms and working parts. 1 year coatings, finishes and 'O' rings.

## MAKE IT WONDERFUL WITH THE FRANKE PRO-VALUE RANGE

It's easy to be ordinary; to have an ordinary home, filled with things you neither love nor hate. But you should never settle for ordinary and that's why we ensure everything we make is wonderful. Wonderful turns a house into a home and turns work into play. Every Franke product aims to be wonderful in every way; from the first glimpse of carefully considered design, to manufacturing standards that ensures you can feel the quality and craftsmanship of every piece.

This brochure captures the spirit of wonderful in order to captivate and inspire you. A comprehensive range of sinks, taps and accessories can help turn an everyday kitchen extraordinary and turn a daily chore into a guilty pleasure.

Let everyone else be ordinary. Let's make it wonderful.

### Be inspired

We are constantly thinking of new ways to make our range even better, adding new products, new ideas and new innovations. Keep up to date with it all on our Facebook and Twitter pages.

## OVER ONE HUNDRED YEARS OF PASSION

Making something wonderful rarely happens overnight, and Franke has been pushing the boundaries for over 100 years. Founded in 1911, Franke was built on a foundation of precision engineering, combined with traditional craftsmanship. Over 100 years later, those principles endure, while a focus on the changing needs and lifestyles of our customers has helped us become the world's largest manufacturer of kitchen sinks.

### Swiss precision engineering

The Franke story began as a small sheet-metal business in Rorschach, Switzerland, established by Hermann Franke in 1911. Since then, we've established efficient and economic manufacturing facilities all around the world.

Many things have changed in the past century, but what is always the same is a set of values, characterised by respect, trust and openness. The values of innovation, entrepreneurship, quality and stylish design were in the heart of Hermann Franke and continue to be at the heart of the business, as we enter a second century of smart and stunning design.

# GUARANTEED FOR HALF A CENTURY OF WONDER

Once you've realised the kitchen of your dreams, it's only natural you want to retain it for as long as possible. To do that, you need reliable products of outstanding quality and Franke is guaranteed never to let you down. A huge 50-year guarantee on our sinks means that your Franke sink will be with you through those big moments in life and be part of your family for a generation or more.

## We're confident, so you can be too

Few other manufacturers can offer such a promise to you and that's because we are dedicated to the highest standards of design and craftsmanship. Our guarantee protects your sink against manufacturing defects for half a century.

## Great guarantees on our other products

You also have the peace of mind of a superb guarantee on our taps, which protects against defective materials and workmanship in the valve mechanism and working parts for 5 years and covers you for coatings, finishes and 'O' rings for 1 year.

Our waste disposal units carry a 10-year guarantee as a minimum - which is unmatched by any other brand. All Franke hoods are guaranteed for 2 years against material and manufacturing defects.

Full details of our guarantees can be found on our website, but no matter which Franke product you choose, you can look forward to many years of trouble-free use. It's a product that stays in your family home so long, it's almost part of the family.

## FRANKE MORE IN STORE

We believe that the best place to buy our products is in store. That's because you get a friendly face to listen to and offer expert advice. You also get an unrivalled opportunity to see and feel the quality of Franke for yourself.

That's why we created More in Store, an initiative to support our retailers in giving you great service and the best possible buying experience. What it means for you is more choice, better quality, more knowledge and unbeatable after sales support. Look out for stores displaying this logo and you will be assured of genuine, quality products and the high level of service you would expect.

Find your nearest Franke retailer by using the Dealer Locator at [www.franke.co.uk](http://www.franke.co.uk)

FilterFlow Zurich Chrome tap

## FRANKE FILTERFLOW ZURICH

Available as an affordable upgrade, the FilterFlow Zurich offers you pure, filtered water straight from the tap. The sleek, clean good looks will complement the overall aesthetic of almost any kitchen, while cold filtered water on demand provides the ultimate in convenience and a boost to your wellbeing.

The FilterFlow Zurich also delivers hot, cold and mixed temperature water at the point of use and to access the filtered cold water instantly, simply push the cold water lever backwards. By choosing this tap, you'll even be doing your bit for the environment, as you'll no longer have need for expensive and wasteful bottled water.

**£14**

# WASTE DISPOSAL UNITS

A choice of five waste disposal units designed to free the kitchen of unsightly and unhygienic organic household waste. Each unit is the essential add-on for ensuring that all Franke appliances and work surfaces remain looking immaculate.

Thanks to a permanent magnet motor, Franke Turbo Waste Disposal Units reach high speed in a split second, producing more torque per kilo than any other of its type. Whilst running water through the unit, food waste is instantly liquefied into fine particles that are easily flushed through the pipework system.

## Waste Disposal Unit Turbo Plus TE-50

### FEATURES

Feed:	Continuous*
Motor Horsepower:	½ HP
Motor Speed RPM:	2600

\*Continuous Feed models are operated by an Air Switch (or alternative) and waste food is fed through the open neck of the unit. \*\*Batch Feed model is activated by loading the chamber and rotating the WDU plug. Batch Feed model not compatible with ceramic sinks. In both cases, a continuous supply of water is necessary whilst the WDU is in use. Member of REPIC for WEEE Regulations. EEE producer Registration number - WEE/DG0059TT. When fitting a WDU to a single bowl model sink, it may be necessary to purchase an adaptor from the sink overflow, available from our service agents.

\*Information unavailable at time of going to print. See [www.franke.co.uk/flowrates](http://www.franke.co.uk/flowrates)

Colours shown are for reference only. All sinks available with left or right hand drainer. The description 'reversible' means that the design enables the same sink to be turned to drainer on the left or drainer on the right. In the case of a 'handed' sink it is necessary to specify which side the drainer is required e.g. Epos EOX 651 left hand drainer or EOX 651 right hand drainer. All bowls sizes and dimensions are described in mm.

Franke sinks have a 50 year guarantee against manufacturing defect. Franke taps are guaranteed against defective materials and workmanship for 1 year in relation to coatings, finishes and 'O' rings and 5 years in relation to valve mechanisms and working parts. Franke will replace (and where appropriate repair) defective sinks. In relation to taps, Franke will, where appropriate, provide replacement parts for your taps or replace your taps at their discretion. Any associated or ancillary costs to be incurred by you as a result of replacement of Franke sinks and taps under this guarantee shall in all cases be previously approved by Franke UK Limited. This guarantee is in addition to and does not affect your statutory rights. For full details please see [www.franke.com](http://www.franke.com). Prices shown are UK mainland prices effective from 1st January 2017 and include VAT at the current rate of 20%. The Franke policy is one of continual improvement and Franke reserves the right to alter models and specifications without notice. E&OE.

Member of REPIC for WEEE Regulations. EEE Producer Registration Number - WEE/DG0059TT.

Front cover shows **Smart Chrome tap**.
