1	PRO106L3ENET	100 cm 6 burner electric triple oven - Professional Series Stainless steel & Black	5,099.00	50.0%	2,549.50
---	--------------	--	----------	-------	----------

The triple-oven range cooker is the pinnacle of versatility. The main 11-function electric oven features a digital programmer that allows a perfect control of cooking: it displays the oven functions selected, manages time during cooking and gives feedback on real-time temperature. The useful auxiliary oven, without fan, has six modes. A powerful adjustable grill is provided in the third oven.

Hob has six versatile gas burners in brass including two dual-ring power burners.

Matching range hood and backsplash available.

Colours shown will vary depending on your screen settings and resolution. Contact your dealer for further advice.
